

Dear Madam/Sir,

We take pleasure to announce Technical Symposia programmes on the subject on ELANTAS Varnishes + Resins for the Year-2017 at our Pimpri Works and Regional Centers. In the past we organized >50 such training programmes for which we received good response. This has encouraged us to continue similar Symposia this year too.

The details of the programme are given in the enclosure from which you will find programme dates, contents of Symposia, who should participate, etc.

We hope you will take advantage of this service and depute your Technical personnel for any of the Symposia planned in 2017.

To facilitate you, we enclose participant registration form & Details of our Regional offices where you can send your registration directly for respective Regional programmes. This registration Forms can also downloaded from our website www.beckindia.com

Looking forward to your response,

With best regards

ELANTAS Beck India Ltd.
