Elan-tech®
Resins & Adhesives for Stone Materials

ELANTAS Europe is part of the division ELANTAS Electrical Insulation of the ALTANA group and is a leading manufacturer of insulating materials and specialty chemicals. Our portfolio includes wire enamels, impregnating resins and varnishes, casting and potting resins, electronic coatings, adhesives and flexible electrical insulation materials. In addition, we supply materials for other application areas such as special coatings, printed electronic products as well as tooling and composite materials.

As a specialist in formulating epoxy, polyurethane and silicone resins ELANTAS Europe has a deep knowledge in composite material development and applications. With our brand Elan-tech® we are offering a broad assortment of high-performance products for a variety of composite application processes.
